CALENDAR OF UPCOMING EVENTS:

Let Mike & Monty know what's coming up

In conjunction with tonight's State of the Union Address:
Why did the chicken cross the road?

SARAH PALIN: The chicken crossed the road because he was a gosh-darn maverick

BARACK OBAMA: The chicken crossed the road because it was time for change! The chicken wanted change!

JOHN MC CAIN: My friends, that chicken crossed the road because he recognized the need to engage in cooperation and dialogue with all the chickens on the other side of the road.

HILLARY CLINTON: When I was First Lady, I personally helped that little chicken to cross the road. This experience makes me uniquely qualified to ensure right from Day One that every chicken in this country gets the chance it deserves to cross the road. But then, this really isn't about me.

GEORGE W. BUSH: We don't really care why the chicken crossed the road. We just want to know if the chicken is on our side of the road, or not. The chicken is either with us or against us. There is no middle of the road.

DICK CHENEY: Where's my gun?

COLIN POWELL: Now to the left of the screen, you can clearly see the satellite image of the chicken crossing the road.

BILL CLINTON: I did not cross the road with that chicken.

AL GORE: I invented the chicken.

JOHN KERRY: Although I voted to let the chicken cross the road, I

am now against it! It was the wrong road to cross, and I was misled about the chicken's intentions. I am not for it now, and will remain against it.

AL SHARPTON: Why are all the chickens white? We need some black chickens.
